Mike,
what can I say that hasn't been said
already? I could mention the future, or seniors
year but that is so "cliche" when signing yearbooks.
So I'll say, "thanks for the gum!" and remember
you every time I chew a stick. See ya in

Mr. Frazer (right) with brother Jeff.

Gregg Lowell Frazer was born in 1956. While growing up in Iowa his interest in baseball also grew. By the age of six he was a batboy and this led him on into the Little League when he was eight. He practiced throwing at a pitch back for hour upon hour. He helped pitch his team into first place during his five years on Little League teams, and he was the starting pitcher on the league All-star team through 1969. During those years, he hit his first home run, a grand slam in 1968.

Little Gregg learned real pitching control when his family moved to a new bi-level home with steps up to the kitchen door. His mom painted the outline of a catchers mitt on the steps. With a trampoline protecting one set of windows, and a picnic table protecting another, he and the neighborhood boys still managed to break a few windows thus generating the need for some replacement glass. Their large backyard had a baseball diamond worn into it.

At the age of ten, Mr. Frazer was involved with the Des Moines YMCA boys chorus and bellringers. He was se-

lected through competitive singing auditions and tryouts. During a two week Easter vacation break, the group traveled and performed at the U.S. Senate in Washington D.C., Albuquerque New Mexico, Nevada, and Los Angeles. He sang his first solo as part of a quartet at Disneyland.

Schooling came easy for him. From fourth through sixth grades he attended special accelerated classes for academically gifted students.

This continued right on through High School which he attended at Raytown South High School. At graduation he had a GPA in the upper 3.00's and ranked about 20th in a class of 640.

Throughout High School, baseball continued to be a big part of his life. He was mostly a relief pitcher, but at the senior sports banquet his coach recognized him as "one of the easiest pitchers I had ever coached." "If I took a doorknob off the door," said his coach, "Gregg would throw the ball through it because of his control."

Mr. Frazer earned a partial baseball scholarship to Los Angeles Baptist Col-

lege, where he majored in Political Science. He was the starting pitcher for all four of his years there. In July, following his freshman year he struck out eighteen batters in one game in the Casey Stengel League in Kansas City.

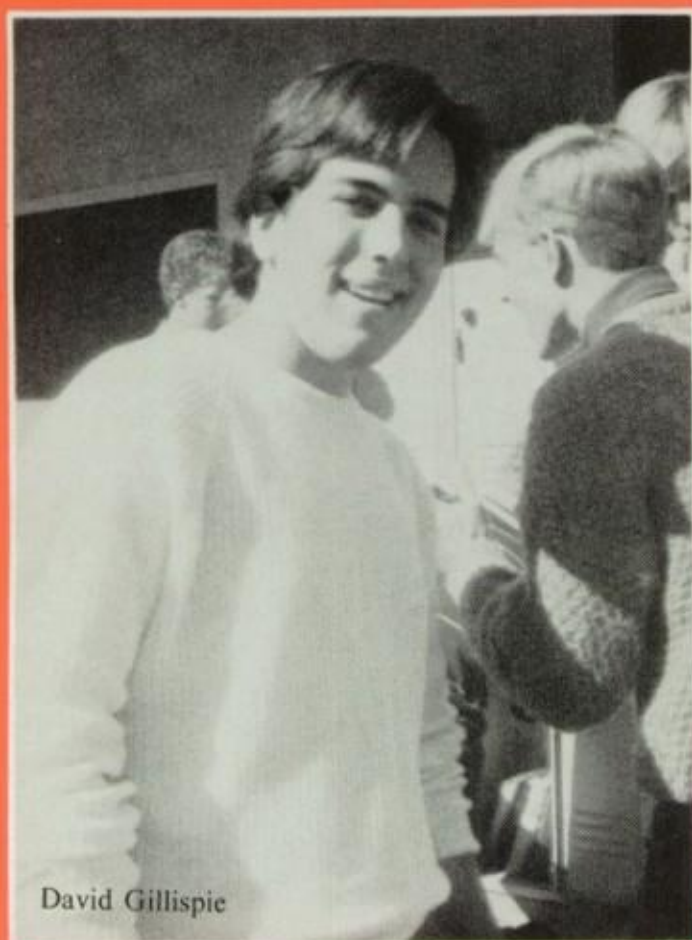

In 1978, Mr. Frazer began teaching at Village Christian Schools. That year, his classroom was one half of the Auditorium, which he shared with Mr. Henry. They came to call it building "O", for Odd, or the "Barn", and they still refer to each other as "The Barn Buddies." He has taught English, P.E., Civics and Government. During his nine years at Village, he has not only taught, but has also coached football, basketball, and of course baseball. For the past two years, he has also taught part time at his alma mater, Masters' College.

Mr. Frazer has been a strong spiritual leader of the senior classes throughout the years, and the 1987 Yearbook Staff is proud to dedicate The Crusader to him.

Spirit Week is the time before Homecoming when the student body comes together to show their spirit by dressing up and showing participation. With the help of Student Council the students are able to exhibit their pride and enthusiasm in their school and teams. During this week last minute preparations are made for the Bonfire and the eagerly awaited game.

Bonfire is a time remembered by all. Thanks to the hard work of Student Council and maintenance it was a great success. This years theme was a very creative and unique. Everyone had fun in participating, or just dressing up for halloween. Jr. Rep. George Panay feels that Hollywood came to life on our Campus. All around everything went smoothly, and was greatly enjoyed.

Homecoming

Homecoming 1986 brought together alumni from the class of 1966, Village Christian's first graduating class, and will go down in the school's history as one of the most memorable. The "Hooray for Hollywood" theme set the mood for excitement as the Varsity and JV teams won smashing victories over the LAB Knights. The half-time festivities, which included terrific performances by the band and tall flags, as well as an outstanding presentation by the Crusaderettes, ended with the crowning of the 1986 Homecoming Queen, Stacey Wood.

And Thanksgiving Assembly

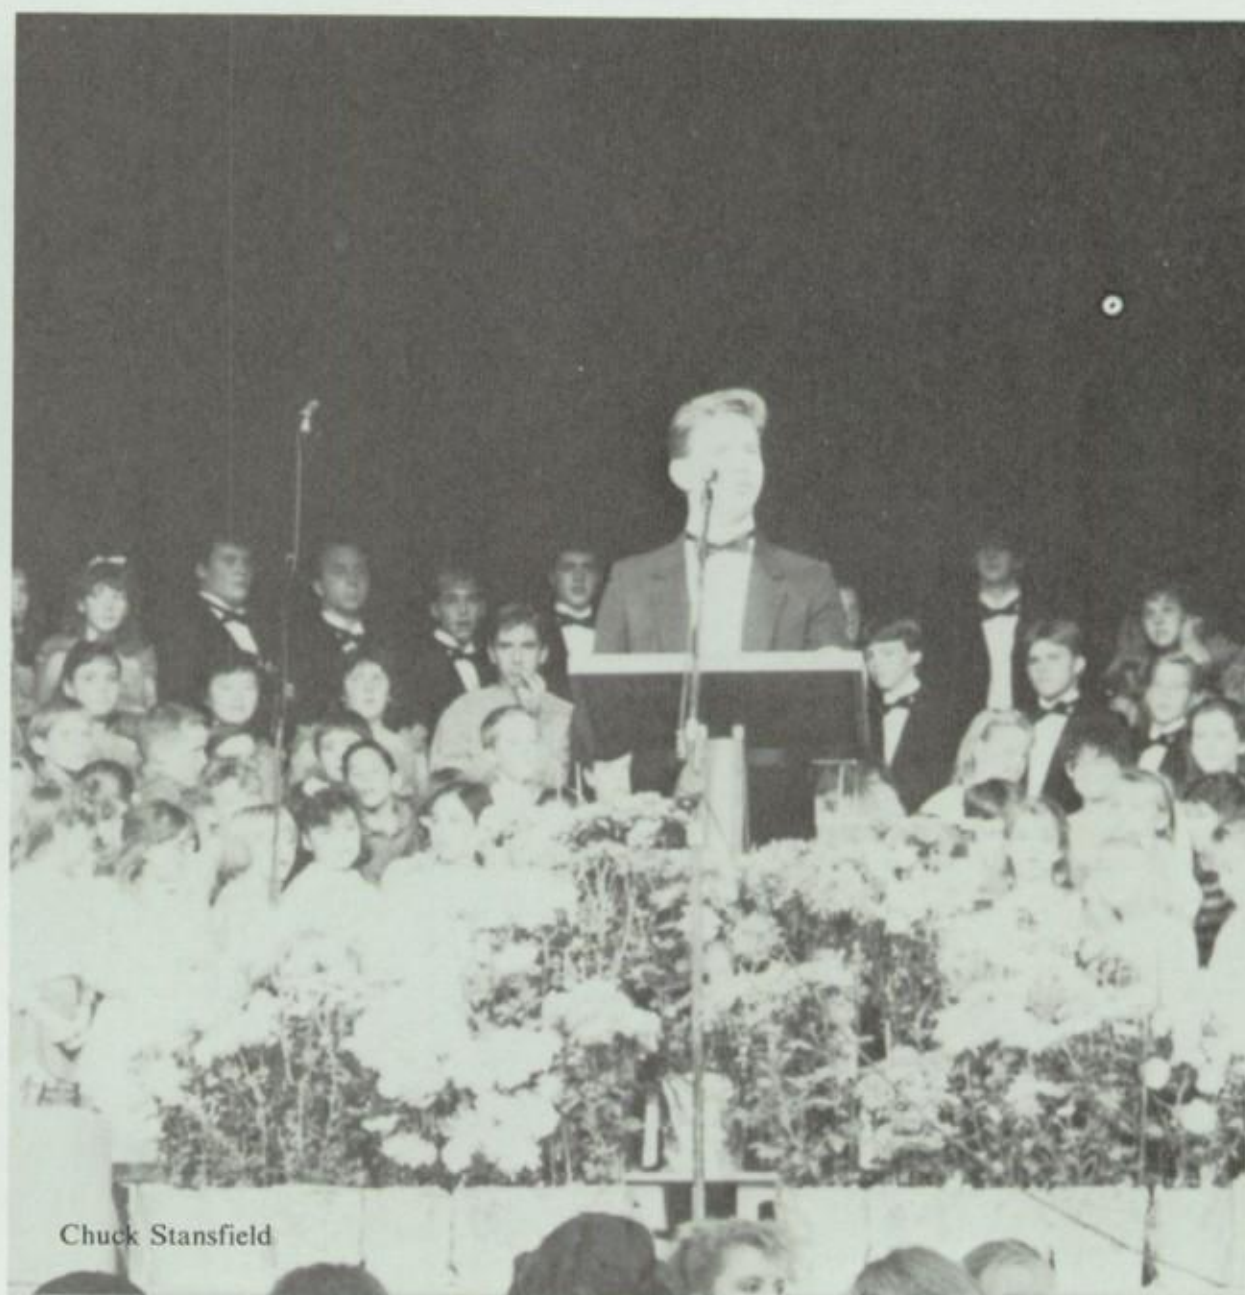

Melinda Hammer

This Year, thanks to Mr. Parker the Juniors and Seniors have had the chance to each lunch off campus. The deal is that if we keep the lunch area clean for four days in a row we can eat out anywhere we want as long as we get back to sixth period on time. We made history.

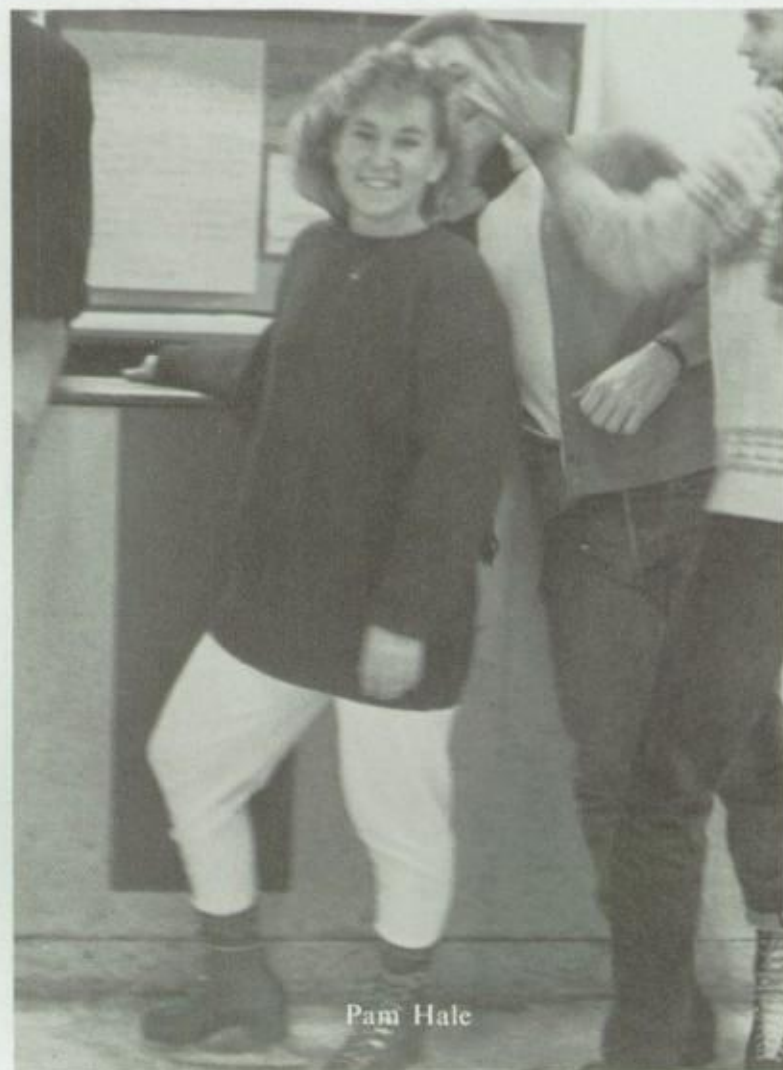

The Thanksgiving program this year was great. The entire school, as well as some parents, had the chance to come together and fellowship, listen to wonderful music by choir and band, and have the chance to show God how thankful we are.

Village on ice, thats nice. And it was really nice. This year the entire school had the chance to spend a night together ice skating. It was a chance for all those to show off there skating abilities and just plain have a good time. Whether you spent the night on the ice or spent it falling on it, you not doubt had a wonderful time.

The Christmas program was very different and much more exciting this year. Choir put on its version of the living Christmas tree. Drama did a little skit on the true meaning of Christmas. Thanks to all the hard work of those involved, the entire program was a big success.

The Senior Overnighter was a blast for everyone involved. During the night, the seniors played basketball, volleyball, and capture the flag. The class even tried its skill at strobe-light pillow-fighting. Many watched movies til dawn while others took the opportunity to spend time with and get to know some of their classmates a little bit better. "We got to know a lot about each other that night — especially when we saw each other first thing in the morning."

Concert

Opening act for Bryan Duncan (Judges)

Too darn bossy.

Bryan Duncan

Too darn country.

Bryan Duncan, live and in concert, at VCS! Imagine, a concert in our own gym. It happened on Feb. 7, and was very well received by those in attendance. The concert, which was sponsored by the PTF Jr./Sr. Council was a great attempt at bringing a rock concert onto campus. Bryan himself, was quite a personality. He continually referred to his prerecorded backup as the "econo band".

Preshow entertainment was provided by the Student Council. They tried to choose an opening act for Bryan Duncan. (See pictures.) It was so good, that Bryan was in the audience watching when his act was announced. All in all it was a very good evening.

Valentine's Banquet

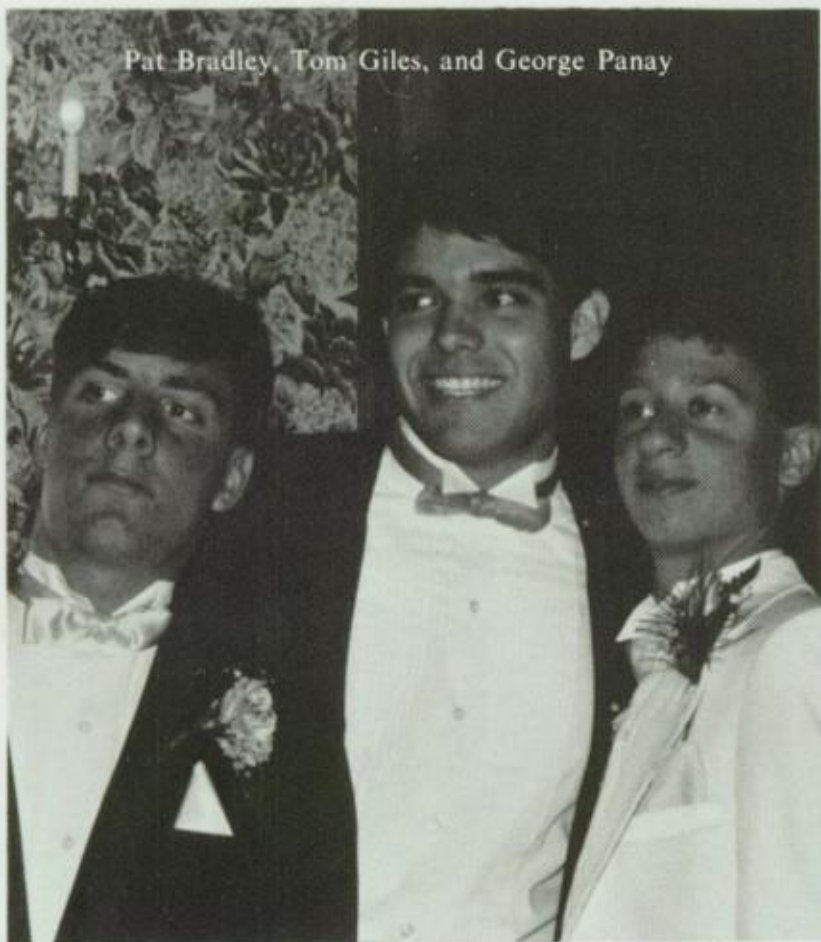

The 1987 Valentine's Banquet, sponsored by the Spanish Club, was the successful product of much hard work and planning. Cooperatively, members of the Spanish Club volunteered their time, talent and creative ideas to the organization of this much looked forward to event. Special entertainment was provided for everyone which greatly added to this memorable evening. With all the romance and love of Valentine's Day, the banquet was made even more meaningful by the expression of God's love between all those in attendance.

Crusaders On Crutches

"The hardest part of going into surgery is thinking about being cut!"

Last fall, the sophomore class was plagued with several sports injuries, that put Candice Corder, Vicki Giordano, Craig Hudspeth, and Jason Jones on crutches. The two that were seriously injured were Craig and Jason since both had to go into surgery. Both agreed that "The hardest part of going into surgery is thinking about being cut!" Also being out of school put them way behind in school work that it took them several weeks to finally catch up with their peers. Surely, all that have been injured representing our school in sports activities deserve the name Crusader.

Varsity Football

The 1986 season was, in many ways, a successful one for Village Christian's Varsity Football Team. Because of the skills of key players as well as the work of the team as a unit, the all-new offensive line proved itself effective. Eight school records were set this year and the Alpha League records set by Tyler Victor, Chris Johnson, and Greg Lloyd brought the school's total to seven. Regarding the future, Head Coach Mike Plaisance is more than optimistic and says his goal is to add another banner to Village's collection.

J.V. Football

The 1986 Junior Varsity football team can be best described as awesome. They ended the season 8-1 and broke fifteen records. Coached by Gregg Frazer, Ken Lloyd, and Les McKnight the young Crusaders were recognized as league champs. The J.V. squad opened up it's season with a devastating win against Desert High, but lost their only game to St. Genevieve. Inspired by their loss the Junior Varsity team shutout Daniel Murphy and soundly beat Marshall. Then the team lead by Joe Everett beat Maranatha and with the help of Eddie Piromsuk and Chris Taylor shutout La Verne Lutheran. During Homecoming, the J.V. squad went to the air with Matt Bates throwing to Mike Sinatra and beat their rival school 13-6. Western Christian was the next opponent that stood in their way, but with the help of George Dieudonne, Thor Martin, and Frank Castellucci the Lancers were no match for the young football team. Now only Montclair Prep stood in the way, with a scoreless first half it seemed hopeless for the Crusaders, but then Jon Wheeler caught a long pass by Davy Muxlow to set up a touchdown and then caught another pass by Joe Everett for another. When this squad meets up again on the Varsity level they will be a force to be reckoned with.

Drill Team

"... Drill Team worked a lot harder this year, and I think people can tell."

The 1986 Village Christian Drill Team experienced a most unique and extraordinary season. The squad came up with new ideas and used a fresh approach to performing with the help of Melinda Nims. The girls demonstrated an abundant amount of talent at camp and carried it over into their season. Their spirit, in turn, inspired the fans and players at every home game.

Varsity Volleyball

The 1986 Varsity Volleyball team had a very successful season. The team became very unified throughout the year, realizing that volleyball is not a game for individuals. The team must play together as one in order to obtain that perfect pass, set, and spike.

With most of the teams they faced having more raw ability, they had to fight hard and show that they really wanted to win.

The efforts of each member and the superb coaching talent of Alex Puatu paid off, enabling them to claim the title of Alpha League Champions.

J.V. Volleyball

Volleyball is quickly rising in popularity, and since California brings forth some of the best players - our junior varsity girls are enthusiastically looking forward to the years ahead. Although this year didn't quite meet up to their expectations, their pride and determination have earned them the respect they rightfully deserve.

Varsity Basketball

The 1986-87 Varsity basketball team surprised and impressed everyone with their performance this past season. Coach Tom Watkins took control of the Varsity squad after coaching the J.V. team. The team consisted of 10 seniors, 1 junior, and 1 sophomore. Each player contributed their effort and time to make the team the best they could be. The Varsity squad beat L.A. Lutheran, Western Christian, and Maranatha, but they lost disappointing games to Marshall, Montclair, and L.A. Baptist. Overall, they represented Village Christian in a proud fashion.

J.V. Basketball

Like all JV teams, the JV Basketball team had room for improvement. All of the team players improved in one way or another. Despite the many losses of the team this year, it was considered a good season by most of the players.

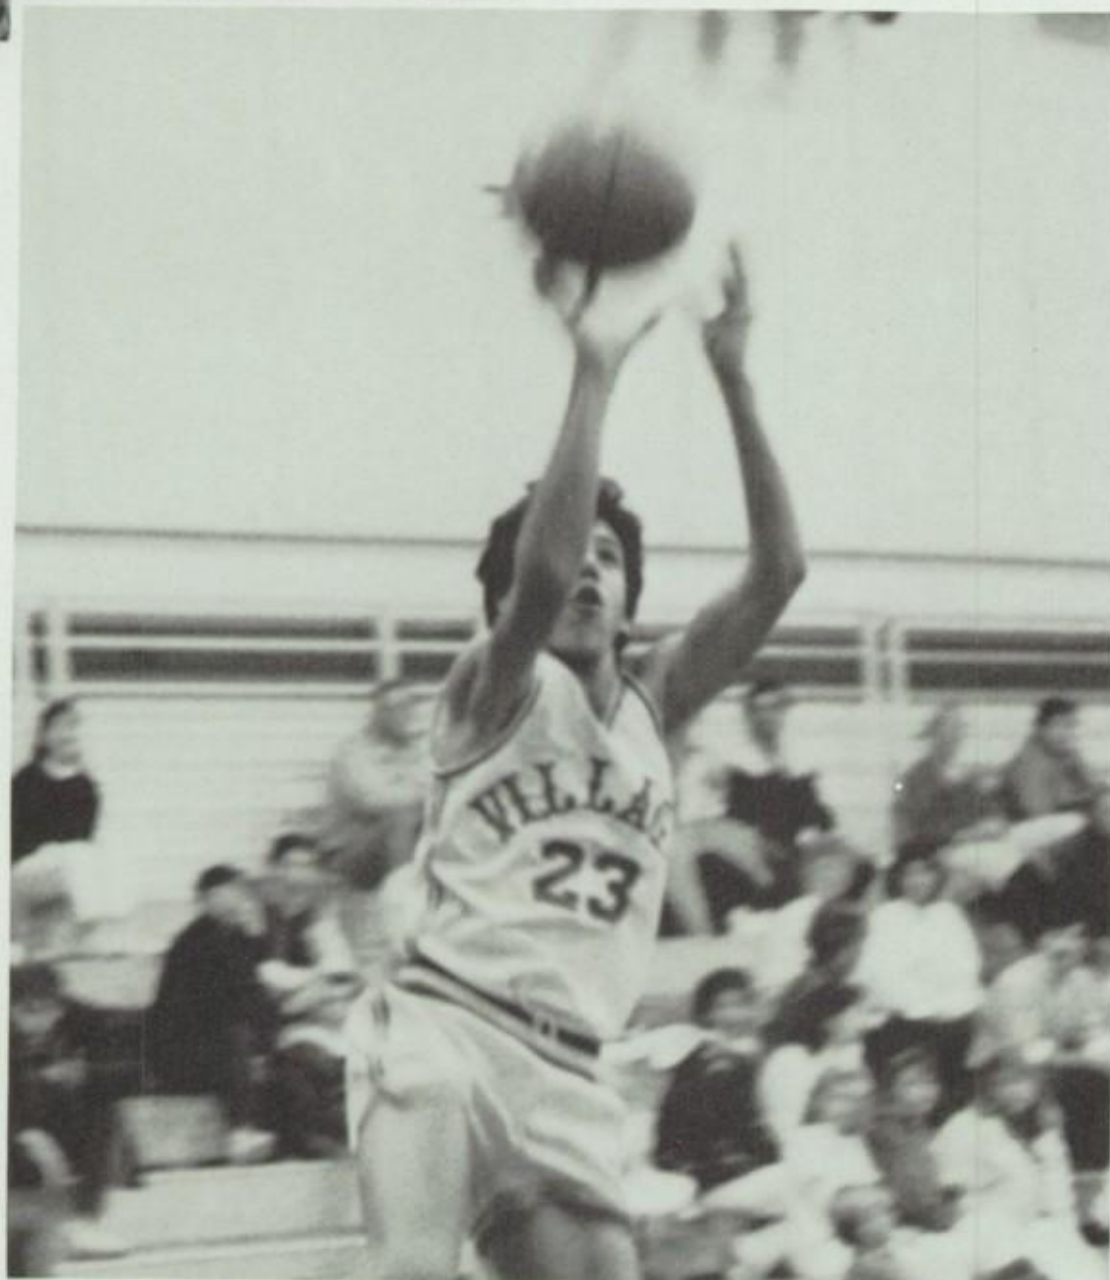

Many of the players will move up to Varsity next year because of the knowledge gained on the JV level.

Whether the players remain on JV or move up to Varsity, each player will continue to grow in his basketball skills.

Freshman Basketball

Freshman Basketball was, as all sports are, a learning experience for everyone involved. The team took pride in playing their home games in the gym, and did exceptionally well, finishing the season with a 9-9 record. J.V. Cheerleaders

J.V. Cheerleaders have done a lot for J.V. football this year. The role of the cheerleader has always been to encourage the team to do their best and excite the crowd. One football player said "they all really appreciate it." J.V. Cheerleaders have done a really good job this year and they can all be very proud of their accomplishments. Whether it was baking something for their secret pal or working out a routine or even just being nice, J.V. Cheerleaders always do what they do best and that's cheering for the best.

Varsity Soccer

This years soccer season can be described as an ongoing adventure. Each game was unpredictable because of the closeness of the scores. The members had the love of the game in common but not the consistency needed to show their tremendous talent in team work. The varsity team exhibited spirit which could be attributed to Coach Van Heijzen's enthusiasm and love for the sport.

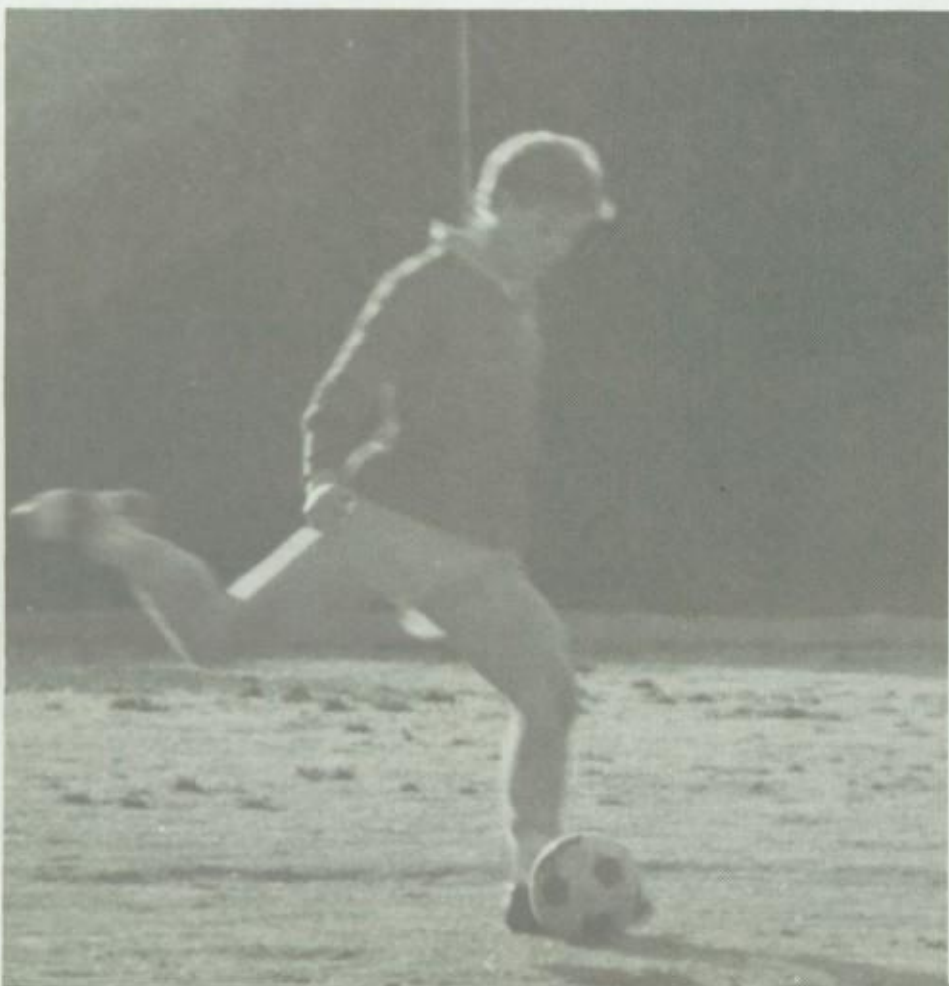

Top row, left to right: Coach Van Heijzen, George Panay, Brian Moriarty, Davy Mulow, Gabriel Carlson, Rick Oehler, Paul Goodnow, Jordan Nedeff, Larry Uleman, Paul Jelinek, John Dvorsky, and Jason Jones

The J.V. soccer team had shown a lot of team unity. Each player demonstrated a individual skill to benefit the team. Although they did not win in their league games, they were a formidable opponent to the opposing teams.

Coach Lagasse along with the team put in many hours of hard work to make it the best team possible. Each of them were bound together by a common interest.

All the guys showed very good sportsmanship even when the other teams got rough. Their games were enjoyable to watch and showed the great skill of the team.

We apologize for not having any pictures for the J.V. team due to a situation beyond our control.

Girls' Varsity Basketball

Though the 1987 Girls' Basketball team didn't win statistically, they were successful in all other areas on the court. The team worked hard at practice working on fundamentals and gave 100% against their opponents. Consisting mainly of Seniors, they agree that if they had consistent coaching staff through the years they would have done better statistically, however, everyone on the team became a better player through this experience.

JV Girls Basketball

The 1987 girls' junior varsity basketball team was a very strong team, having to adjust to a new coach, while still getting ready for the season. The girls practiced and played hard, working as a team. Even when the score of a game was against them they fought back trying to overcome. This was not a team of quitters, but survivors.

J.V. Softball

The 1987 Junior Varsity Softball Team was both impressive and determined to make their season an exciting and learning experience. Their team unity was displayed through their performance on and off the field. Cindy Smith was very qualified to take the team through the season. Each player contributed greatly to it's success and will be welcomed on the Varsity level.

Top row, left to right: Coach Anne Floyd, Kathy Frantz, Missy Worden, Suzanne Berndt, Vivian Hsu, Andrea Hodge, and Coach Cindy Smith. Front row, left to right: Jennifer Henderson, Jeanine Swanson, Wendy Cross, Linda Battson, Vicki Giordano, and Jennifer Gastil.

Cross Country

This year's Cross Country team demonstrated a definite desire to win. Each runner served as an important part on this team. They all put in many hours of running, more than we could imagine. They have left many impressions in our mind, but the most important was their goal of giving pride to our school and the team.

This year's Boys Varsity, known as The Icemen, was the first in the school's history to go undefeated through the league and then go on to win Alpha League. They succeeded in prelims and ranked fifth at C.I.F. Finals out of 104 schools.

The Boys Junior Varsity took first place, their many hours of training were also put to good use.

The girls put in an extended effort as seen in their scores, ranking third in the league. They are definitely something to look at.

The Boys and Girls Cross Country team reached a peak of excellence and maintained it throughout the whole season.

When asked what she liked most about her first year here at Village, Jennifer Baragan replied, "The people here are really nice!" She is glad they've shown her such acceptance and says that they're a lot of fun to be around. According to Jennifer, her class shows its unity by doing a lot of activities together. She loves volleyball and when she gets to high school she'd like to try out for the team. During junior high, however, she'd like to become a Spirit Leader. She has had a good first year here and is looking forward to many more.

Jr. High Football

The 1986 VCS Jr. High football team was the fourth team in five years to win a league championship. Coach Chuck Gott coached a successful offense with Mark Vail at quarterback. Vail threw to many receivers like Rick Nickels and Richard Santiago. Also Matt Smay's running ability aided the offense for an average of thirty-five points a game in league which made their team one of the best.

Coach Dean Lagasse took charge of the Jr. High defense that shutout six teams and allowed only twelve points to be scored in league. Anthony Murgo stood out. At the same time Jeff Bell and Koke Many kept the opposing team on the ground. Jr. High football is a true asset to the Village sports program.

Jr. High Girls Basketball

The Jr. High girls basketball team had only two returning players and the majority of the team has never played basketball before. Coached by Cindy Smith, the girls had a winning season. Jana Kovar scored 54 points in seven games and Amy Sickels scored 54 points in nine games. Auna Wierenga was the toughest defender and Christina Gumpert played center to score 32 points. Tanya Ristau and Dona-Kaye both showed potential to play in High School. Julie Harvey played post and center which gave the young team edge with the inside game. Krista Crowely and Julie Mosier were the two seventh graders who will show to be great next year. The whole team worked for excellence and truly represented Village Christian Schools.

A Winning Combination

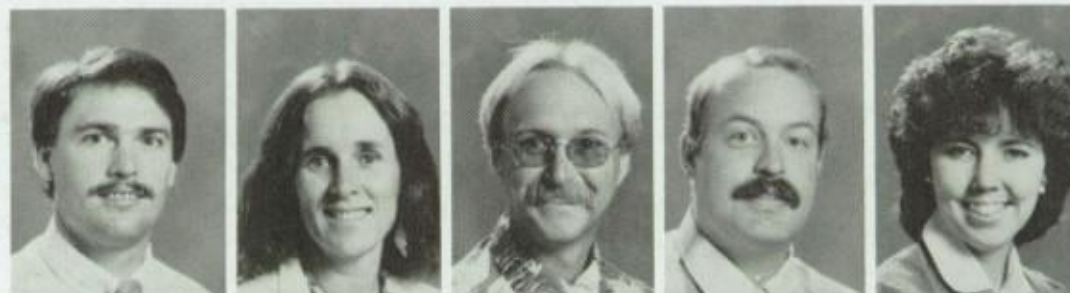

Teachers Form The Backbone Of Education

You see them everyday. There they are when you walk into your classes. They take roll, lecture, ask questions, give homework, tests and quizzes, show movies, and tell you to be quiet. They are your teachers.

But, teaching is more than that. Teachers hurt when you hurt. They cry, when you

cry, and struggle when you struggle. They want you to learn, and are happy when you do, and disappointed when you don't. They give of themselves, and usually get very little in return . . . except for a good warm feeling inside everytime you succeed. Teachers are your friends. They care.

There is such warmth and intelligence radiating from you. It seems that every day you grow smarter and more beautiful and every day I am proud to be your mother. As you go through all the many stages of life you should be aware that there will be many times when you will feel scared and confused but with your strength and values you will always end up wiser and you will have grown from your experiences understanding more about people and life. So if you need advice or someone to talk to to make sense out of it all, I hope that you will talk to me as I am continually praying for your happiness my sweet daughter, and I love you. Mom

We've watched our lovely rose grow
And as the years have passed
We've seen His love grow in you

We know we've truly been blessed
You've made our lives complete

CHUCK

As you step forward into a new phase of your life the lessons learned at Village School will provide you a base to build your future upon. Surely you will feel some sorrow in leaving high school but I have heard it said that "God gave us our memories so that we might have roses in December". Certainly your years at Village will provide you a great many roses in future Decembers.

Chuck I am very proud of your many accomplishments, but my pride as your father is overflowing because of the fine young man you have become. You truly are that "special" person your mother always said you were.

I thank the Lord for the strength and understanding He has given you, and for your unabridged faith in Him.

Dear Peanut,

Finding the words to express our love and pride of you is not easy for mere parents. Watching you evolve from a pathetically shy toddler into such a beautiful and self-confident young lady has been one of the Lord's greatest gifts to all of us. For seventeen years we've been comparing you to a sunrise. With every minute you seem to be growing a little warmer and a little brighter.

Few know how many challenges you've met and conquered. You still have so much to offer this world and although it certainly won't be easy to let you go we're excited for you and all that you have yet to experience. With your sense of humor and that laugh you'll always be a winner.

You are truly the best Christmas present we'll ever receive and wherever you go, we're sure you'll be in the hands of God with an angel on your shoulder and your pockets filled with our love.

Thank you for our church and for all the programs there that have helped Val grow spirituality. Thank you for Sunday School, Insighters, Summer West, and other activities that have been such an influence to encourage her Christian walk.

Thank you for V.C.S. and the impact it has had on Val and our whole family. Thank you for Field Trips, Drill Team, Song Girls, Student Council, Drama Productions, and other activities that have helped mold and discipline her.

Well, Kelly Welly ... what can I say. You have grown from a little "smelvin" head into a BIG "smelvin" head! But as your oldest brother, I should say something meaningful ... something personal ... so I will. I love you and I will always be here for you.

Randy

Dear Kelly,

The time between the Brazilian Village where you were born and to the Village Class of '87 holds innumeral memories of one vivacious, beautiful person ... our daughter, Kelly.

How vivid today is the memory of when you were so ill as a tiny baby with scarled fever and of the multicolored loving hands of the Brazilian elders placed on your flushed head as they asked the Lord for healing, and then, of your instant recovery. Your life has been touched in many other ways since that time by the loving hand of Jesus.

Memories of your high school years flood our minds ... drama, singing, sports and games. It's been sort of like living with a small "tornado" in our midst! Your great concern and compassion for others and that sense of fairness that you possess are beautiful qualities. We know the Lord has a very special ministry for you. Don't ever let anything deter you from pressing on and discovering exactly what His very best for you is.

As you enter young adulthood we shall be praying that the Lord's guiding hand will lead you thru those difficult places and decisions ahead. We love you so much. Our prayer is that your hands will bring a blessing to others as the hands of the past have blessed you. Remember ... "Greater is HE that is in you than he that is in the world."

Much love,
Mom & Dad

Kelly,

This is your older brother Bruce ... you know ... the one you always seemed to get in trouble somehow? Well, I forgive you and I hope your future is full of happiness.

Love,
Bruce

Dear Smelvin,

I can't think of anyone I'd rather have as my sister. I'm so proud of all the things you have accomplished in your life and I know there's much more in store for you. I love you.

Your favorite sister,
Darin

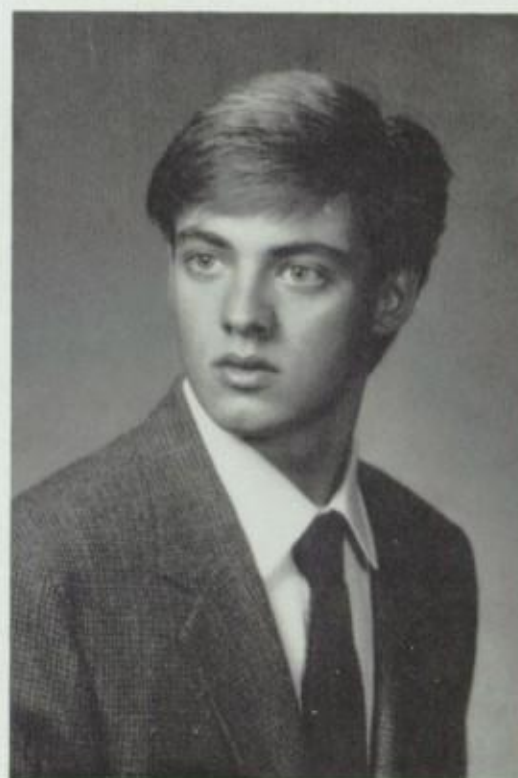

DEAR JEFF,

We are so very proud of you, through all of your 18 years of growing up, we have had one of our lives greatest gifts and pleasures in raising you and watching you grow.

You are a very special young man and if you will let God work in your life there will never be an obstacle too tough, a mountain too high or a river too deep for you to conquer.

With our most sincere wishes, best of luck to you Jeff, for a bright and promising future.

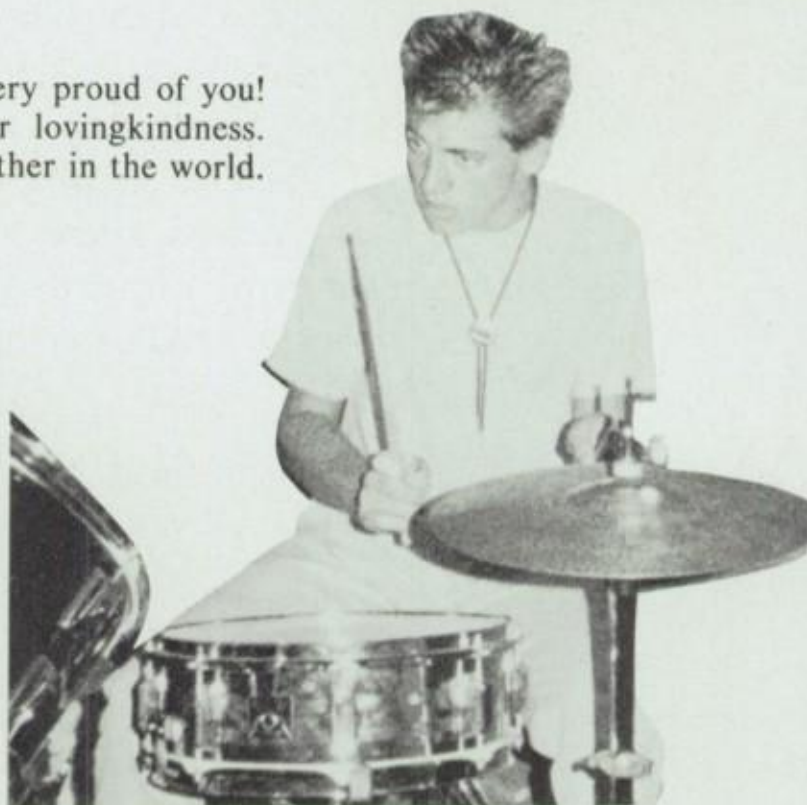

PROVERBS 3:5-7
CONGRATULATIONS!!!
WE LOVE YOU VERY MUCH
MOM, DAD
JENNIFER & JULIE

Jeff,

We want to say we're very proud of you!
Thanks so much for your lovingkindness.
And for being the best brother in the world.
We love you,
Hulie & Hennie

Renee,
 You have grown into such a beautiful young woman.
 A parent could not have wished for a more perfect daughter.
 You have fulfilled the fondest dreams a parent could ever have.
 Your love for Christ is so precious and I pray that you will always
 walk in God's love and allow Him to light your way.
 May all your dreams come true, and may you find the happiness
 and joy in your life that you have given us.
 We are so proud of you.

God bless you, Sweetpea
 We love you so very much,
 Mom and Dad

I love you so my Daughter, and I
 never cease to pray, that God
 will guard and keep you safe —
 within His love each day. May
 you be guided by His word in all
 you say and do, for all the pride
 of life for me — is centered Dear
 Daughter, in you. Love, Mother

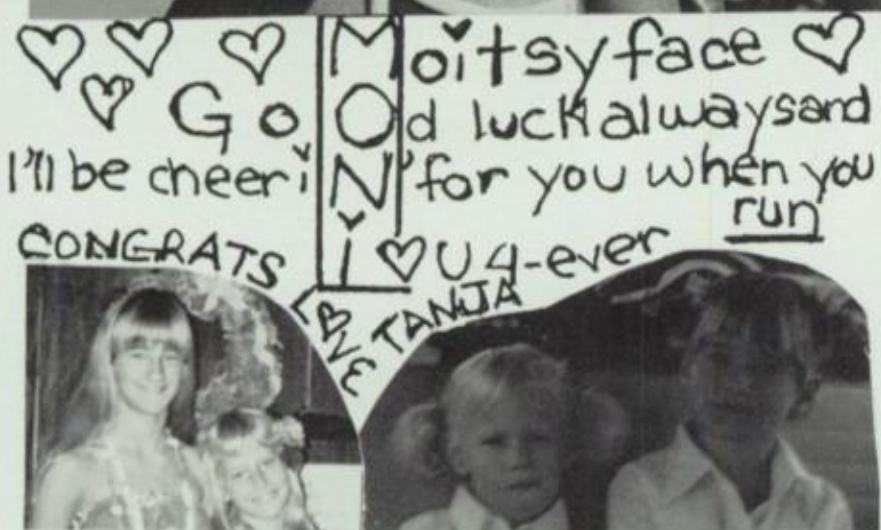

Dear Kim

The greatest joy a parent knows
Is a child whose heart and spirit grows
A child who loves and learns and tries
Whose friendship is a valued prize
From Indian Maidens to Homecoming Court
In Student Council, study and sport
With the Pastor's Award, such promise you've
shown
Through all these things, our pride has grown
A young woman off to a beautiful start
There's no greater joy to a parent's heart.

Love Mum, Dad, and John

Jennifer
Congratulations to
our special friend
who will always be
a member of our
family!

Love and God bless
you,
Dale, Gloria, Vicki,
and Val

How fast you've grown!
The Bride's Manor salutes
Stacey Wood!

CONGRATULATIONS BRIAN

How quickly the past 13 years have gone. Looking back on those years the memories have really been wonderful. We watched you grow from playing with trucks, to riding bikes to acting and playing the drums. Now comes the time to leave Village and the many friends you have grown up with. You have always been a source of great joy and delight to your family. You are striving right now for independence and the right to live your own way and Dad and I sometimes struggle for the strength to let you do it. We love you very much Brian. It is said that love is freedom from fear. If this is true, then go forth fearless, knowing that you have the love of the Lord and the love of your family with you always. It is with great sadness that our little boy is leaving the nest, but with great joy that he has grown into such a fine young man. Continue to walk with the Lord, as it is He that will give you the wisdom, courage, and strength you will need to reach your goals in the future. We will always give you love and support. Thank you Brian for being such a joy in our loves.

We love you,
Mom and Dad
"May God continue to bless you
richly as you go on His way"
Philippians 3:14

W E N D Y

MAY YOU HAVE

Enough happiness to keep you sweet,
 Enough trials to keep you strong,
 Enough sorrow to keep you human,
 Enough hope to keep you happy;
 Enough failure to keep you humble,
 Enough success to keep you eager,
 Enough friends to give you comfort,
 Enough wealth to meet your needs;
 Enough enthusiasm to look forward,
 Enough faith to banish depression,
 Enough determination to make each day
 better than yesterday.

Congratulations Sweetheart,

We love you and are so proud
 of you,

Dad, Mom, Danyelle,
 Holly, Heather & Meghan

Dear Jen,

It's hard for me to believe that you are graduating from high school because you will always be my little sister. Just because you are younger though doesn't mean I don't look up to you and admire you for the woman that you have become.

We have always been opposites in nature, but that has made us closer and we have learned from each other. I love you more than you will ever know and I am very proud of you.

Congratulations! I know this is only the beginning for you.
With love,
Jacque

Dear Jen,

I miss the little girl you once were, but I have watched with pride at the beautiful young woman you have become; responsible and caring.

I have truly been blessed, for you are such a source of joy. You can make me laugh even when I don't feel like it.

And now that you have reached this milestone in your life I pray for God's guidance as new goals and challenges come your way. Congratulations!

I love you, Mom
Philippians 1:6

Dearest Darlynn,

You are so special and we love you very much. We are proud of the way your inner beauty, your strong convictions, and pure faith have guided your choices. This is a very special moment in your life, a continuation of a path begun. Whatever your steps, we know you will follow God's plan.

Darlynn, we are so thankful you are our Daughter.

You'll always be our "Queenie"
Love and Congratulations,
Mom, Dad,
Dana and Darren

TO OUR DAUGHTER
TAMMIE SUE

I doesn't seem so long ago
Your head rested on our shoulders
And we held your little hand in ours,

It doesn't seem so long ago
You were all dressed up for your
First day of school, and we smiled with pride,

It doesn't seem so long ago you showed
us how you'd grown, and we realized you
weren't a child anymore

You still bring us more joy and pride
than you'll ever know!
We love you with all our hearts

Love, Mom and Dad

Psalm 127:5
Children are a heritage of the
Lord.

Dear Kristi,

It seems such a short time ago
you started Kindergarten. You
have grown into a very special
young lady, with a wonderful
Christian spirit. We are so proud
to call you "our Daughter". Our
prayer for you is the Lord's contin-
ual guidance and help.

We love you,
Dad, Mom,
Kelly and Stevie too!

SUSAN

You have been a special gift from God since the day you were born. You have filled our lives with joy and happiness. It seems in the wink of an eye you have gone from a sweet little baby to a fine young woman. You have always been beautiful on the outside but even more importantly, you are beautiful on the inside. Please keep your high standards and principles and the good in your heart. With these, your life will be good.

We have had so many good times and memories to look back on, and we have so many more to look forward to. It's been great! While one door is closing on one part of your life, with sadness felt, another ever larger door is opening with so many wonderful possibilities and challenges. Continue to make the world a better place, meet the challenges and have a lot of fun along the way. We will support you in all that you do. It is all ahead of you. Reach out and go for it, Susan!

We love you so very much,
Mom and Dad

Thanks for being a great and loving sister, Susan, and for being there when I needed you. Have a happy graduation!
Love always,
Gary

WE ENCOURAGE YOUR QUESTIONS & INTEREST

P.O. Box 594, Port Hueneme, California 93041

To Our Dear Daughter Lori,

You were a precious little girl and in such a short time have become a very special, lovely young lady. You have worked very diligently to achieve your goals and dreams. Thank you for giving your love and understanding to us as we tried to do what was best for you.

We want you to know that we love the woman that you are becoming, we hope you continue to grow, tempering your strength with softness, your daring with thoughtfulness, your courage with care for yourself and others, and that you achieve your dreams in an ever-widening circle of love.

We thank God for taking you through these growing years and pray that He will guide you to success and happiness in your future. CONGRATULATIONS!

We Love You,
Your Papa & Mom

First,

*Delight yourself
in the Lord and
He will give you
the desires of your
heart. Trust also
in Him and He will
do it.*

Psalm 37: 4, 5.

*Be anxious for
nothing, but in
everything by
prayer and
supplication let
your requests
be made known
to God.*

*Philippians
4:6*

Ronnie,

As our chosen son, we look with anticipation as to what God has planned for you in the coming years. You have been blessed with a keen mind, an engaging personality, leadership skills, and determination. These attributes will open up numerous opportunities.

Set your goals and standards high and be willing to work for them. Continue to be a leader, but learn to be a servant by putting God first. Our prayers as well as those of your sisters and brother, will continue through your upcoming college days. Congratulations son. We love you and are proud of you.

Proverbs 3:5

Trust in the Lord with all your heart and lean not on your own understanding: in all your ways acknowledge Him and He will make your paths straight.

Son, you've become a sincere and loving person for whom we give God the glory. We're proud of you.

Trust in the Lord.

Cast yourself with confidence into the arms of God; and be very sure of this: that if He wants anything of you, He will fit you for your work and give you the strength to do it. —St. Philip Neri

Dear Paul,

What a special son you are, kind, generous, ambitious, helpful, positive, and full of fun. Your caring for others and quick smile and brightened many lives, especially mine. I'm very proud to have you as my son and couldn't love you more.

Love,
Mom

It is with deep gratitude to our Lord Jesus that we dedicate this page to His glory.

The last page in a chapter of Nancy's life that will be remembered fondly always.

Thank you all of VC's faculty, staff and peers for having been a part of this rich experience. Thank you Damon for being such a special friend. And to Nancy, congratulations and best wishes in your next chapter and remember, whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by Him. (Col. 3:17)

We love you,
Mom and Dad

Four parents from an early age
 Watching you from every stage
 You've showed us all without a doubt
 Just what being proud is all about.
 You're beautiful, we love you.
 Mom and Dad, Mom and Dad,

Congratulations Anita:

We're very proud of you and love you very much. We know the Lord has great things in store for you and our prayer is that you put Him first in your life always and He will direct your paths.

The 1987 Crusader Yearbook redefines "elegance" through pictures, people, and events. Each page expresses its own interpretation of the word's definition, yet contributes to the book as a whole to create not only a classy effect, but a brilliant one also. The above quotation, which relates to each VCS individual personally, is merely a condensed version of these ideas. Likewise, the 1987 Crusader Yearbook is a brief overview of the Village lifestyle. It is only capable of reminding us of the many events that have taken place this year that have made 1987 a truly exquisite year.
